

**WIND RIVER HOA
Grand Teton Property Management**

Roof Repair / Shingle Replacement
Potential Start Date: May 2, 2022

Dear Wind River Homeowners and Residents:

The roof project starting date is currently set for May 2, 2022. Roof Rescue is planning on working six days a week with the project lasting two to three weeks. We will send another notice closer to the start date.

Please let us know if you have any questions.

Respectfully yours,
Grand Teton Property Management
