Roof Repair / Shingle Replacement
Start Date: May 2, 2022

Dear Wind River Homeowners and Residents:

The roof project starting date is currently set for May 2, 2022. Roof Rescue is planning on working six days a week with the project lasting two to three weeks. Dumpsters will be delivered on Friday April 29, 2022. During the construction no parking will be allowed in the lot. If you are in residence at Wind River, the Sleeping Indian HOA has allowed parking in their lot for up to five Wind River vehicles.

Please let us know if you have any questions.

Respectfully yours,
Grand Teton Property Management
